Freemind Filter, based in Delhi, India, is one of the most renowned brands in the automotive industries.

Established in 2014, today Freemind Filters is among the top manufactures of air and oil filters for automotive, specializing in manufacture and supply of paper molded two-wheeler filters.

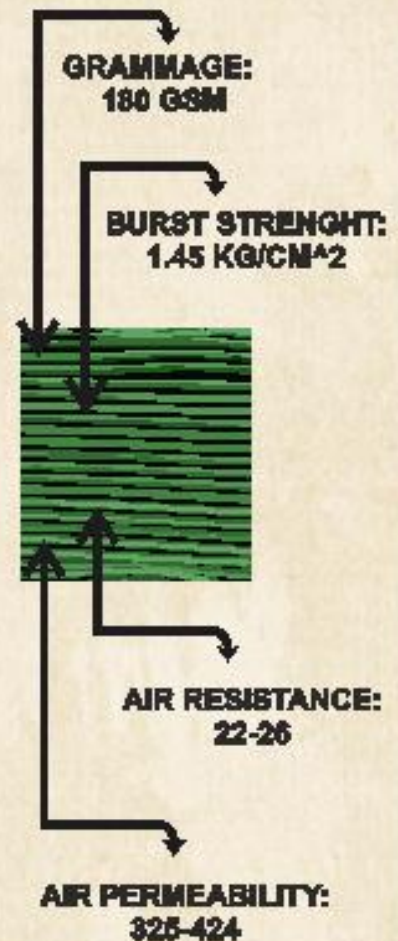

We have built a strong reputation for offering reliable services and quality products (produced within our manufacturing facilities in Delhi) to OEMs, distributors and end users within India and neighbouring countries. Our vision is to develop, produce and market best in class products.

Freemind Filters in an ISO 9001:2015 certified company.

OUR VISION

To provide quality products matching international standards to our customers at competitive prices. Filters are relatively inexpensive part of a vehicle, but yet they perform a pivotal role and hence can significantly increase the longevity of the engine. We strive for customer satisfaction, and retention of customers is our main aim. For this, we make sure that our raw materials are procured from the best vendor and adhere to the OE standards, which then produces a high performance product.
